

2020 - Cancelled  
Due to Covid

Hello Team Captains:

The GSWPGA has made the decision to cancel the first 2 matches of the 2020 Team Match Play Season due to the COVID 19 outbreak and the closing of our golf courses.

Due to having cancelled 2 team matches it would make our team matches not a valid competition, therefore we would be playing the remaining matches just as "friendly" play.

I have been in contact with many of the courses and they cannot guarantee rescheduling the matches.

We are therefore recommending that all future team dates for competition be cancelled and keep the dates for those that are interested in playing. Would there be an interest by you and your players in "friendly" play.

Please contact me and let me know how you are doing and if your players are interested.

Hope to see all of you sooner rather than later...
